## About Me

I am a dedicated and passionate CSE student at Port City International University (ID: CSE 02707389). I am eager to apply for the Project Secretary position at PCIU Computer Club because it aligns with my skills and career goals. As a project secretary, I aim to contribute to successful projects, enhance my organizational and leadership abilities, and foster collaboration within the club. My proficiency in project management tools and effective communication will help support the club's goals. I am enthusiastic about working with peers to drive innovation and positively impact our academic community.
